

October 2018

President's Corner – Brad Clark acting President

Look at the stuff we did this summer! In June and July we had a blast participating in the Oregon and Evansville community parades to promote the Brooklyn Labor Day Truck & Tractor pull. At the end of July we had a great time at the Landowner's Appreciation picnic thanking our landowners by serving up a delicious meal while enjoying conversations with our friends and neighbors. In early August we had our first ever annual tubing trip down the Sugar River! We hope to add camping and increase participation next summer! Our biggest event/fundraiser this summer was the Brooklyn Labor Day Truck & Tractor Pull. While we didn't have very good weather, we still pulled together and put on a great show! Thank you to everyone who was able to participate during our summer events! And a special thank you to all of the volunteers who gave up their holiday weekend to make the truck/tractor pull a success!
