President's Corner

Happy New Year!

Although I wish I could start the newsletter with talk of riding around here, obviously Mother Nature has not been very kind to snowmobilers in this portion of the state quite yet. We are hearing mixed trail reports coming out of the northern parts of Wisconsin, and I know several club members have enjoyed trips north that have proven to be very enjoyable riding. With our trails and groomer ready and waiting, in the meantime, I'll keep hoping (along with all of you) that we will soon see more accumulating snow here at home, so we can enjoy the sport we love right from our doorsteps.

The Christmas party last month was a good time as always. Club members donated almost 60 lbs of food which was then delivered to the Oregon Food Pantry right before Christmas, along with our monetary club donation. In addition to the Food Pantry, we had club members out ringing bells, shopping for the Christmas adopt-a-family, along with delivering donations to the Oregon Fire and EMS. It's heartwarming to see such compassion and dedication to the community, especially around the holidays. The club received many thanks for all the efforts. Thanks to everyone!

Scavenger Hunt books were hot off the press at the Christmas party as well. It certainly looks like another fun and challenging group of items to find prior to the March 1st deadline. If you haven't had the chance to get your booklet yet, please consider purchasing from one of this year's over 20 participating establishments.

The Annual Easter Seals "Blizzard Blast" is being held in our quadrant this year. It will be held February 2nd at the Red Mouse in Pine Bluff. Volunteers from our club will be needed to help at the event. Our club is also required to provide deserts for the meal. Watch for more information on this fundraiser later in the month. If you would like to purchase a ticket to the event, please contact Steve Clark (608)-843-9546.

The Winter Picnic is still in the planning stages. Look for more information to be coming soon!

Thank a Landowner – Think Snow!
