

March 2019

President's Corner

WOW! What an incredible year of snowmobiling throughout Wisconsin this year! Some of the very best riding conditions could be found right here within our own quadrant, thanks to several very dedicated club volunteers and a bit of cooperation that finally came from Mother Nature. I hope you all had the chance to enjoy the absolute beauty of a good Wisconsin winter!

As our riding season draws to a close, we are already in preparation for the year to come. The next club meeting will be Thursday, March 21, at which time we will be holding the election of officers. Elected positions will include the club officer and board positions, as well the council level. Each position is for a term of 1 year. I hope you will consider attending the meeting and possibly running for a position within the club. Over the years, we have been very fortunate to have dedicated individuals working hard to further the sport in our area in a multitude of ways. However, the continued success of snowmobiling in Dane County will definitely require continued commitment, fresh ideas and the abundant energy of even more. Please feel free to contact a board member if you would like more information about these opportunities prior to the meeting.

Just as a quick reminder: We will be seeing a change in the renewal dates of club memberships this year. The AWSC voted to have club memberships run on the same schedule as the Wisconsin Trail Pass beginning June 2019. The intent is to make record keeping easier on both the clubs and members. Both renewals will now be at the same time (June to June). If you have any further questions about these changes, please feel free to contact a board member.

It has been my absolute pleasure to serve as your president over the course of the last season. I look forward to seeing you on the trails again soon.

Join a Club – Thank a Landowner!

Lori Clark

President, Oregon Sno-Blazers
