

October 2019

President's Corner – Matt Fink

I hope everyone had a great summer and is looking forward to another great upcoming snowmobile season. We had an awesome summer with many great club events. Members of the club participated in our second annual river camping and tubing trip on the Sugar River in Albany. We thanked our generous land owners at Landowner's Appreciation Picnic along with our friends from the Brooklyn Sno-Hornets. We also held our annual Labor Day Truck and Tractor Pull, our largest fundraiser of the year. We would like to thank everyone that came out and volunteered to make this event a success. We couldn't do it without you!

I would like to encourage everyone to come to our first meeting of the year on **10/17/2019 at 7:30 PM at Mulligan's Bar & Grill**. During the meeting, we will recap the Labor Day Truck and Tractor Pull as well as discuss our plans for the upcoming snowmobile season. I would like to take some time to discuss what is going well and what everyone would like to see from our club this year. Specifically, I would like to get a small group to help plan some out of town trips, something we haven't done as a club in a number of years.

I'm excited to take on the role of President of our club this year. I look forward to meeting as many folks as I can during our upcoming meetings.

Think snow!

-Matt
